

ENVIRONMENT POLICY

(ISO 14001:2015)

PACSB Cemerlang Sdn. Bhd. is committed to the quality of all people involved in its operations. It is the policy of the company to maintain an effective and efficient management system based upon the requirements of ISO 45001:2018 and all applicable legal requirement.

- Conduct our work in line with company core value and improve workers health as well as address environmental concerns.
- Comply with all relevant legislations, regulations and other legal and industry requirements.
- Continuously cooperate and work closely with authorities and enforcement agencies to provide support towards improving the environment in its quest to deliver customer friendly services.
- Minimizing the environmental impact of our activities.
- Ensure proper handling, storage, and disposal of hazardous materials

This policy will be reviewed and update periodically where necessary. This policy will communicate to all employees and persons working for or on behalf of the company and will be made available to the public and any other interested parties upon request.
